CENTER FOR ECONOMIC
RESEARCH & FORECASTING

California
Lutheran
University

“The Cal Lutheran economic team has emerged as one of the state’s best grounded and far-seeing prognosticators on California’s ever-changing, roller coaster economy.”

– Dan Walters, Sacramento Bee columnist

Thank you for your interest in the Center for Economic Research & Forecasting (CERF) at California Lutheran University. Sponsorship for CERF is a value-added opportunity for any corporation or business, large or small. CERF provides accurate and timely information regarding the local, state, and national economy. Our forecast events provide valuable networking opportunities across industries and geographies for diverse populations.
